SWEET AND LOW

Elegans seedling — natural prostrate habit. Flowers medium size single, clear pink.

Blooms December through March.

2nd yr. 5 gal. container grown @ \$17.50

ATTENTION TO OUT-OF-STATE GROWERS

We are required to ship our plants bare-root, which limits us to dates approximating November through March. All soil is thoroughly washed from roots and the roots are placed in a solution containing "Superthrive" before packing.

Upon arrival, unpack and moisten roots at once. When planted keep shaded some until plants recover from shock of moving.

We of course take pains to ship only healthy plants and label same carefully. If any mistakes are made our liability is limited to the purchase price of the plants.

Packing costs on orders of \$20.00 or more are free. Less than \$20.00, a charge of \$1.50 on orders to \$10.00 and \$2.50 for \$10.00 to \$20.00. Please accompany order with cash unless credit otherwise established.
